Island Packet 455 Information

The center cockpit 445 possesses all the exemplary qualities that have earned Island Packet a worldwide reputation. The 445 combines superior comfort, ease of use, seakeeping, and safety attributes that are the hallmark of every Island Packet, along with innovative new features.

Tankage and storage on the 445 is exceptional. All tanks are centrally located below the cabin sole, benefiting stability and interior storage space elsewhere in the yacht with minimal effect on trim. All of these attributes reflect the many quality features built into the 445 that help ensure the owner years of comfortable, trouble-free cruising.

Description

The center cockpit Island Packet 445 is a beautifully spacious sailing vessel - perhaps the most spacious in her class. The deep center cockpit provides more than just a comfortable place for your crew to congregate. It provides a safe working area from which you can perform all the necessary adjustments underway. Handholds and support rails are strategically placed to maximize your safety on deck. As beautiful as the 445 is to behold, it is even more appealing below decks. The expansive main saloon boasts more than seven feet of headroom, a well-appointed combination of hand crafted teak furnishings, cabinetry and storage, a nav station that would excite any world cruiser, a gourmet galley fit for a master chef and two of the most spacious staterooms you'll find anywhere. There are three places to take a nice hot shower, two private heads (one adjacent to each stateroom) and on the stern platform.
