FJORD 

BE UNIQUE

Once again, FJORD reinvents the concept of the top-class powerboat. The *FJORD 44 coupé* features a visionary, expressive arc-saloon entirely made of glass. This air-conditioned superstructure provides shelter from climate conditions like cold, heat or rain.

If the weather is just right, many openable elements turn the closed arc-saloon into an open living space. When opening the majestic twin door in the back, saloon and cockpit become one. No doubt: every time is the right time to go out with your *FJORD 44 coupé*.

IMPRESSIVE DESIGN

YOU DRIVE WITH YOUR EYES FIRST

If the first glimpse is enough to leave you speechless, you are looking at a FJORD powerboat. With her streamlined arc-saloon, the 44 coupé embraces this principle in her own way. The aerodynamical roofline, slightly rising to the rear, is an outstanding expression of the essence of FJORD: performance, purism, pleasure.

- / characteristic FJORD design: vertical stem, angular lines, very solid bulwarks, continuous hull window line*
- / one-piece windshield for unobstructed panoramic view and unlimited open feeling*
- / individually hand-built by boatbuilding craftsmen*

strong, clear, glamorous: a unique stylistic idiom
